

B01 - Validation

Input: Blank email and password

Observed: Both required-field errors displayed | PASS

The screenshot displays the login interface of the Community Garden Management System. The left panel features a dark green background with the system's logo and tagline. The right panel contains the login form with two input fields, each showing a red error message for being required. A 'Sign in' button and a 'Create an account' link are also visible.

Community Garden Management System

GROW TOGETHER

One clear place for plots, people, and garden work.

A shared workspace for the community members and staff who keep every garden bed thriving.

Built for accountable, community-led gardening.

Welcome back

B02 - Validation

Input: abc

Observed: Invalid-email message displayed | PASS

The screenshot displays the login interface of the Community Garden Management System. The left side features a dark green background with the system's logo and tagline. The right side contains a light beige login form. The form has a 'Welcome back' heading, a sign-in instruction, and two input fields: 'Email address' and 'Password'. The 'Email address' field contains the text 'abc', and a red error message is displayed below it. A 'Sign in' button is positioned below the password field, and a link to 'Create an account' is at the bottom of the form.

B17 - Validation

Input: Registration name A; valid remaining fields; native constraints bypassed by harness

Observed: Server name-length error displayed | PASS

The screenshot displays the 'Join the garden' registration form on the Community Garden Management System. The form is set against a light beige background. On the left, a dark green sidebar contains the system logo, the tagline 'GROW TOGETHER', and the main heading 'One clear place for plots, people, and garden work.' Below this, it describes the system as a shared workspace for community members and staff. The registration form itself is a white rounded rectangle. It includes fields for 'Full name', 'Email address', 'Password', and 'Confirm password'. The 'Full name' field contains the value 'A', and a red error message 'The name field must be at least 2 characters.' is displayed below it. The 'Email address' field contains 'phase4-browser@example.test'. The 'Password' field is empty, with a note 'Use at least 8 characters.' below it. The 'Confirm password' field is also empty. A dark green button with the text 'Create member account →' is positioned below the password fields. At the bottom of the form, a link 'Already registered? Sign in' is visible.
